

April 9th to 14th, 2018
at Kavade Attic

Timings
10 am to 4pm

THEATRE WORKSHOP FOR CHILDREN

THE WORKSHOP

Children will explore & experience aspects of creating & performing for stage. In a creative & fun-filled environment, they will be instructed in the basic elements of acting, body & movement. Through theatre games & activities, children develop fundamental acting skills, whilst improving their personal levels of self confidence, self expression & self esteem. The workshop helps build creative thinking, literacy, confidence, verbal expression, leadership & , team building skills.

FACULTY

Faculty will comprise of artists who have more than 15 years working experience with the art forms & children

PRESENTATION

The workshop will end with a small performance by the children on 14th April.

AGE & BATCH SIZE

We would like to restrict the batch size to 20 children to ensure individual attention & value in the experience they receive. Enrollment is open for children who are 8 years & above.
